MOTION

that Derrick Williams is Requesting
a trial by jury in this case.

I have the documents in my
complaint to prove my point I
have the USB sent to Labor
Department by the defendant Breaking
Ground and I received phone call
left by Mr Linworth Stevenson leaving
a messages after I was terminated
these are facts and I have a
witness Kurt Security guard that
was present at the time of

1)

the incident these are all proven facts Karen Warner building manager had target me with Superintendent Muhamet Islamovic who presented the video to me on the job site from his cellular phone this is why I want a trial by jury I didn't violate any policy of sexual harassment or anything of that nature falsely accused Derick Williams. Thank you for your understanding in this matter.

"Motion Trial by Jury"

Dear Judge: Gorenstein

Derick Williams plaintiff Counsel for the defendants breaking ground has been unethical in ~~their~~ approach with plaintiff Derick mailing a draft of a briefing schedule to the plaintiff for my approval defendants has forged my signature on documentation they're not really trustworthy when it comes to documentation phone call conferences and I feel that on September 3rd or after the party should meet at their law firm at 875 3 Ave NY NY 10022 to have this conference with the plaintiff due to past experience with counsel I feel that's ~~the~~ best approach for the parties

2)

to do meet at 500 pearl Street
 outside of Court Ram to have a Conference
 but a phone conference is strictly out
 of the question when it comes to please
 DERICK WILLIAMS it would be more pro fessi
 onal if we would meet face to face
 for the defendants Counsel could give
 me a call on the time and date that
 we can either meet at their law firm
 or at 500 pearl Street in the United
 States district Court Southern district of
 New York building. Thank you for your
 understanding in this matter
